

RETHINK. REFUSE. REDUCE. REUSE. RECYCLING

AUSTRALASIAN RECYCLING LABELS

Most packaged products in Australia display the Australasian Recycling Label (ARL) to help you put items in the right bin.

Look for the ARL label on your packaging when throwing it out to remove confusion and divert recyclables away from landfill.

WHAT CAN I RECYCLE?

Clean plastic containers

Paper & cardboard

Junk mail

Yoghurt tubs

Milk bottles

Glass jar
Brown, clear and green only

Plastic bottles & aluminium cans
Remember to check if it has the 10c label.

Steel can

Recycling tips

Always remember to empty recycling into the bin loose, not in a bag.

Containers should be rinsed and empty.

Are you still in doubt where to put the right thing in the right bin?
